Re: Petition for Incorporation of the City of Bloomington,

Honorable Judge,

We, the undersigned qualified voters residing in the Bloomington CDP area described herein, respectfully petition for an election to be held to determine whether the community should be incorporated as a Type C general-law municipality, to be known as the City of Bloomington, pursuant to Chapter 8, Subchapter A of the Texas Local Government Code. In addition, we, the undersigned qualified voters request that you accept our candidates for the positions of Mayor, first council member, and second council member. These candidates are as follows: Bernadette Walker for Mayor of the City of Bloomington, Ernest Longoria and Sarah Stindt as first and second Council Members of the City of Bloomington.

Enclosed is a petition which clearly fulfills the requirements set forth in TX Loc. Govt. Code § 8.002. The proposed incorporated area is based on the U.S. Census Designated Place of Bloomington, Texas, and the maps and population data mirror this U.S. Census designation. We believe that this is a fair, equitable, and comprehensive method of determining the boundaries of the proposed incorporated municipality.

In addition to the physical attachments to this petition, we have also provided an electronic GIS layer which identifies the precise boundaries of the proposed communities. It has been attached via email as "ExhibitC_BloomingtonCDP.geojson". This file is compatible with the Victoria County CAD system and may be uploaded to the publicly accessible CAD map website, so that all property owners will be provided with adequate notice that their parcel may be impacted by the proposed incorporation.

We respectfully tender this petition and attachments to you, and request that you find the enclosed proof satisfactory. We request that you order an incorporation election to be held on a specified date and at a designated place in the proposed community, at the next available uniform election, or in the alternative, to order a special election for the same.

In support of the petition, we would show that all requirements under the Texas Local Government Code have been met and are satisfactory and sufficient to mandate the calling of the election. Specifically, the enclosed petition shows that,

1. The community proposed to be incorporated is currently an unincorporated city, town, or village, located entirely within Victoria County, Texas, and is not within the corporate limits or the extraterritorial jurisdiction of any existing municipality.
2. The proposed municipality has between 201 and 4,999 inhabitants, being that the latest U.S. Decennial Redistricting Census indicates a population of 2,082 inhabitants.
3. The Bloomington CDP, and proposed incorporated municipality area, resides solely within Victoria County Voter Precinct 13. According to the Victoria County Elections Administration Office, the number of qualified voters in Precinct 13 is 1,751. Only Precinct 13 voters *who also reside inside of the proposed boundaries* have signed the enclosed petition. The total qualified signers amounts to 256, clearly exceeding the required 10% threshold in Sec. 8.002. Attached as Exhibit D, is a list of all Precinct 13 voters, with necessary redactions.

4. The proposed boundaries of the municipality follow precisely the plat map created by the U.S. Census Bureau, Census Designated Place of Bloomington, Texas, of which Exhibit A lays out, and is more fully defined in the attached GeoJSON file.
5. The proposed municipality contains an area of approximately 2.65 miles or 6,862,675 square meters, according to U.S. Census Data GIS Data.
6. Concurrent with the incorporation election, a mayor and two city commissioners must be elected as the initial governing body of the proposed city per Tex. Loc. Gov't Code Sec. 24.021.
7. The city will adopt a commissioner form of government once incorporated as required by law.

As you may know, Bloomington was previously incorporated in 1913 and later dissolved in 1929. Although the community has undergone many changes over the last century, it has clearly stood the test of time. Now, outside forces are seeking to carve up this cherished community against the will of the majority. This petition is made with the entire community in mind and will allow all residents of the Bloomington CDP a voice in deciding the future of their community.

If you or the Commissioners Court have any questions related to this petition or would like further information, please do not hesitate to contact me. We would be happy to provide supplemental information, as required, to move the petition forward.

Respectfully submitted,

Tiki Venglar
